70 years of experience in the retail business

Tailored solutions for any business. Share your ideas, and our advisors will guide you to the perfect fit or a customized merchandising solution.

VICGlobal where innovation meets functionality

Experience shelving with unmatched durability and versatility. This robust system ensures quick installation and effortless rearrangement, featuring practical elements like reversible shelves for innovative functionality.

VICSTORE

TABLE OF CONTENTS

VICGlobal – Your Ultimate Shelving Solution!

Enjoy the convenience of reversible shelves, seamless shelf adjustments, and swift installation with our user friendly baseboards.

1 Top Cap (22GA) offers strength and stability preventing removal.

2 The panel joint is used to maintain two (2) Back Panel sections

3 Galvanized steel reinforced crossbar (22 GA)

4 Galvanized steel back panel support (22 GA)

5 Twenty (20) gauge steel kick plate black finish. Kick plate attachment now provides easier and quick installation

6 Back panels offer a choice of various finishes; pegboard (standard), plain hardboard, slatwall, metal pegboard, plain metal and melamine.

7 Base cover (22 GA) black finish

8 Alloy steel straight shelf support (12 GA)

9 Patented perforated reversible-shelf

METAL STANDARD COLORS

P10 White	P34 Beige	P33 Gray	P14 Black (KP and WP)
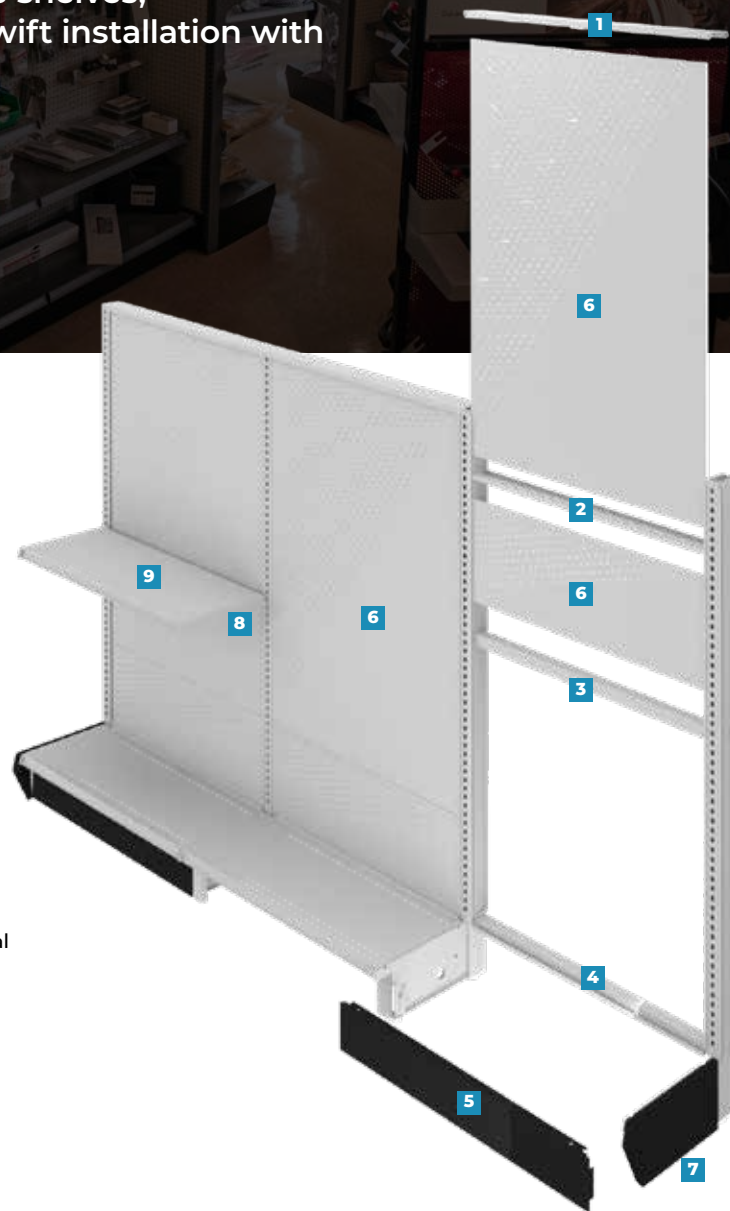

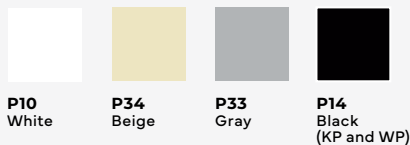

Other colors are available at an additional cost.

MELAMINE STANDARD COLORS

H54 Skye	8906 Danish Maple	WF464 Urban	K42 Influence	555 Nova White
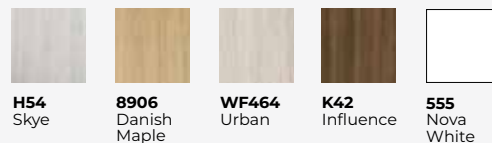

Finishes: cabinets and decorative elements. Colours are also available without urea-formaldehyde. Due to the printing process of this catalog, actual product colors may vary.

VICGlobal – presents endless possibilities with their Steel Shelving system.

Tailor your space with infinite customization!

1 WALL SECTION

- 24, 30, 36 or 48'' wide
- Double Post
- 48 to 96'' high
- Base shelf 8 to 30'' deep (2-inch increments)
- Self-standing structure or fixed to a wall fixation for enhanced load capacity
- Opened / Closed base

2 FULL GONDOLA

- 24, 30, 36 or 48'' wide
- 48 to 96'' high
- Base shelf 8 to 30'' deep (2-inch increments)
- Self-standing structure
- Opened / Closed base

3 END UNIT

- 24, 30, 36 or 48'' wide
- 48 to 96'' high
- Base shelf 8 to 30'' deep (2-inch increments)
- T-bracket
- Opened / Closed base

4 SHELF

- 24, 30, 36 or 48'' wide
- Reversible, ticket moulding on one side and smooth front edge on the other
- Straight or sloped position bracket
- 8 to 30'' deep (2-inch increments)
- Standard shelf made of steel
- Glass or melamine shelves optional

5 BACK PANEL

- Standard back panel perforated
- Plain hardboard, wooden slatwall or metal panel available
- Easy slide-in panels
- Colour coordinated to match steel colour

ACCESSORIES

- Wire baskets and dividers
- Perforated board or slatwall hooks
- Magazine display
- Metallic bin baskets and dividers
- Canopy
- Metal Display Cabinet
- End panel
- Acrylic and metal fences
- Crossbar
